33 West Grand Ave.  
Fox Lake, IL. 60020**

## **Rapid Deployment Kits Serve as Spiritual Care Packages**

**Soldiers like this one are asking life-and-death questions and looking for comfort.**

**Packaged in a waterproof bag, each kit is small enough to fit in a soldier's pocket and includes a Bible, daily devotional, and evangelistic booklet.**

**Checks payable to: The Patriot Foundation**

**One military chaplain serving in Kuwait is so thankful for Rapid Deployment Kits -- in this case, received by troops who are recovering from being wounded. He wrote,**

*"Thank you very much for all of the (spiritual) care packages you have been sending. The sailors, soldiers, Marines, and airmen at the Wounded Warrior Barracks have received them as they are recovering. Most of these service members will be returning to their units when their recovering is complete. They will never forget how you helped them during one of the worst times in their lives."*
